

Virtual Field Trip Policy

The video purchased as part of the Virtual Field Trip experience will be available for **30 days** from the date it is issued. If you wish to use the video after the **30 days**, you will have to make an additional payment. We encourage you to test the video as soon as possible so any potential issues can be resolved quickly.

All materials included with the purchase are the educators to use with their student(s). You may not share the video or curriculum materials with other educators that have not purchased it.

As you try to use the video, if you encounter any technical issues contact us at education@hsvbg.org or call **256-830-4447 ext. 253**, and we will be happy to assist you.

Please make sure to let us know upon booking if you plan on sharing the materials with multiple educators at your school. Charges for the Virtual Field Trip experience are per class, and each class will have to purchase an experience.

Thank you for your interest in our Virtual Field Trips. The Garden relies on your support to continue the work of our mission. If you have any questions or want to learn more about additional experiences, give us a call at 256-830-4447.
