

## Youth Camp Procedures 2022

Dear Parent/Guardian,

The Huntsville Botanical Garden is thrilled that your child will be joining us for camp. Our camps are filled with exploration, experimentation and most importantly, FUN! Below are all of the details you need to know in preparation for your child's camp experience.

### **COVID Safety:**

The Garden is actively monitoring and structuring camps based on the Centers for Disease Control and Prevention (CDC) and Alabama Department of Public Health (ADPH) guidelines in response to COVID-19. The information below outlines the expectations for our Summer STEM Camps in 2022.

### **Location/Check-in:**

Camp will be held outdoors at the Grisham Pavilion located West of the Guest Center.

Camp begins at 9:00am with check-in starting at 8:30am at the Grisham Pavilion. If the location for drop-off or pick-up should change, you will be notified with instructions no later than 6:00pm the night before. **Morning Extended Care begins at 7:30am and is available with an additional cost per camper.**

- Enter the Garden at its main entrance, 4747 Bob Wallace Ave. SW, Huntsville AL
- As you enter the main gate follow all camp signage.
- Enter the Blue Parking Lot West of the Guest Center
- Park closest to the Grisham Pavilion. Parents/guardians will be required to exit the vehicle for check-in and check-out each day.

You will receive an email invitation the week before your scheduled STEM camp from the mobile app Brightwheel. Through the mobile app our Education staff to manage the camp roster, share what is going on at camp throughout the day, and contact you with important information. If you have already signed up with Brightwheel during previous camps, you will not need to sign up again.

### **Arrival at Camp:**

Garden Staff will be using Brightwheel for no-contact check-in and check-out at camp. You will scan a QR code with your app, and then follow the instructions on your screen to complete check-in or check-out.

### **Lunch/Snack Procedures:**

Parents/guardians will provide morning snack, lunch and afternoon snack. Any lunches should be able to be outdoors and will remain with the camper. Refrigeration is not available. Campers will not be permitted to trade or share food.

### **Pick-Up/Check-Out:**

Camp ends promptly at 4:30pm each day. Parents/Guardians are asked to park in the Blue Parking Lot by the Grisham Pavilion. Again, you will scan the QR code for check-out.

**Afternoon Extended Care is available until 5:30pm at an additional cost per camper.**

The Garden accepts payments for Morning and/or Afternoon Extended Care in advance online. **No payments or registrations will be accepted at the Garden.** To register, visit <https://hsvbg.org/camps/>

A parent or legal guardian must sign your child in and out of camp each day. Please provide the names of the approved individuals who are allowed to pick up your child on the attached PDF document and add them in the Brightwheel app.

### **Inclement Weather Procedure:**

Inclement weather may result in moving campers to an indoor location that allows for appropriate social distancing, such as the Nichols Arbor. If we experience severe weather, the Garden may be required to end camp early or completely cancel camp for the day. **We will notify you of any changes or cancellations no later than 6:00pm the night before.**

### **Emergency Forms/Brightwheel App Information:**

Please complete the attached fillable PDF Emergency Contact form. Note any medical conditions (physical or developmental) that staff should be made aware of concerning your child. This information will also need to be added to the Brightwheel app for each child. **This will only need to be done once for the entire year of 2022.**

### **What to Send with your Camper:**

Ensure that your child is appropriately dressed to spend the entire day outdoors with close-toed shoes. Parents/guardians are asked to provide the following:

- Face mask or face covering
- Personal hand sanitizer
- Hat(s)
- Spray sunscreen
- Bug spray
- Backpack
- Camera (optional)
- Refillable water bottles or 2-3 bottles of water per day
- 

When moving through a building or gathered in the pavilion, campers may be required to wear a face mask or face covering dependent on the guidelines from the CDC and ADPH, so please make sure they come prepared. Masks may also be required anytime campers are interacting with staff or guests. It will remain optional to wear a mask as we walk through the Garden. If you prefer that your child wear a mask at all times, please let us know.

To truly immerse your child in our camp experience, we ask that the following be left at home.

- iPads
- Tablets
- Gaming systems
- Toys (e.g. stuffed animals or Legos)

**Cell phones are permitted as they allow your child to contact you. Please make your child is aware that cell phones are to be used only for contacting parents/guardians or taking photos of the Garden.** Violation of this rule will result in phones being confiscated for the remainder of the day.

**Shoppe at the Garden:**

Campers will have the opportunity to visit the gift shop during the week to purchase items that may extend your campers experience at home. We suggest sending your camper with \$15-\$20 on gift shop days.

Please sign the attached page to acknowledge you have received and read this information in its entirety. For additional information or questions, please contact Misty Hertzig at 256-830-4447 ext.253 or [mhertzig@hsvbg.org](mailto:mhertzig@hsvbg.org).

We look forward to having your child join us for camp!

Warm regards,

Misty Hertzig
